Monde Nissin Corporation will be releasing to the public a press release titled "Monde Receives Coveted 3 Golden Arrows for its First-Ever Corporate Governance Report as a Publicly-Listed Company":

Monde Nissin Corporation (PSE stock symbol: MONDE) announced today that it was awarded the prestigious 3 Golden Arrows Award from the Institute of Corporate

Directors (ICD) at the recently concluded 2023 ASEAN Corporate Governance Scorecard (ACGS) Golden Arrow Awards Ceremony.

This recognition pertains to MONDE's 2021-2022 Integrated Annual Corporate Governance Report (I-ACGR), its first ever I-ACGR submission as an organization and as a publicly-listed company (PLC) following MONDE's listing on the main board of the Philippine Stock Exchange on June 1, 2021.

Its 3 Golden Arrows reflects MONDE's ACGS score in the range of 100-109 points, serving as a testament to MONDE's commitment to good corporate governance and the improvement of corporate governance practices and standards of the country to make well-governed Philippine PLCs attractive to local and foreign investors.

A Golden Arrow is awarded to companies that achieved a score of at least 80 points in the ACGS Assessment. According to the ICD, awardees are PLCs who have exhibited observable conformance with the Philippine Code of Corporate Governance and internationally-recommended corporate governance practices promoted by the ACGS.

MONDE CEO Henry Soesanto said in a statement: "We are honored to receive from the ICD the 3 Arrows recognition for our first ever I-ACGR submission. This inspires us to continue developing our ESG practices and framework as we constantly innovate and pursue our aspiration of improving the well-being of people and the planet."

ICD is a non-stock, non-profit organization dedicated to the professionalization of Philippine corporate directorship as well as raising the level of the country's corporate governance awareness and policy-making towards world-class standards. ACGS, meanwhile, is a joint initiative between the ASEAN Capital Markets Forum (ACMF) and the Asian Development Bank (ADB) that aims to promote corporate governance excellence and integration within the ASEAN region as an investment destination. The organization assesses key corporate governance principles such as the rights and equitable treatment of shareholders, the role of stakeholders, disclosure and transparency, and the responsibilities of the board. The scorecard provides a comprehensive evaluation of a company's corporate governance practices to identify areas for improvement.

Receiving the award for MONDE, Chief Legal Counsel and Corporate Secretary Atty. Helen G. Tiu stated that "MONDE's award is the result of joint efforts involving dedicated collaborations across the organization to build on company policies centered on integrity and ethical conduct with the aim of ensuring that MONDE is not just compliant with existing laws and regulations, but more significantly, it is well-governed."

The Philippines' Securities and Exchange Commission (SEC), together with The Philippine Stock Exchange, Inc. (PSE) has required the submission by PLCs of the I-ACGR in 2017, wherein the corporate governance recommendations of the SEC and the PSE under the Code of Corporate Governance for PLCs were harmonized. The I-ACGR is submitted to the SEC and posted on the website of PLCs on an annual basis. The I-ACGR must be signed by a PLC's Chairperson of the Board, Chief Executive Officer or President, all Independent Directors, Chief Compliance Officer, and Corporate Secretary.

Commenting on MONDE's 2022-2023 I-ACGR as well as future governance submissions, MONDE Chief Compliance Officer Atty. Jon Edmarc R. Castillo thanked MONDE's Corporate Governance, Nominations, and Remuneration Committee led by Independent Director Elaine Teo, as well as MONDE's management, for their guidance on and support to MONDE's corporate compliance and governance initiatives. "I believe that the 3 Golden Arrows is a good indicator of where we are right now as an organization in terms of governance and compliance, and this recognition from the ICD points us to the direction of where we want to be in the future: a well-governed and compliant PLC amidst the shifts and transformations in the business sector."

Members of MONDE's Legal & Compliance Department attended the awarding ceremony hosted by the ICD on September 28, 2023 in Okada Hotel in Metro Manila, Philippines. Also present were representatives from other awardee-PLCs, and leaders from the ICD, the SEC, the PSE, and other Government agencies.
