Procedures Performed and Findings

1. Obtained from management the Progress Report of the IPO fund as at and for the quarter ended September 30, 2023 showing the following information:
 - a. Balance of IPO proceeds as at June 30, 2023;
 - b. Detailed schedule and description of disbursements for the period July 1, 2023 to September 30, 2023 (the period);
 - c. Amount of disbursement for the period;
 - d. Movement in unrealized foreign exchange gain ~~or loss~~ during the quarter ended September 30, 2023; and
 - e. Balance of IPO proceeds as at September 30, 2023.

No exception was noted.

2. Checked the mathematical accuracy of the Progress Report as at and for the quarter ended September 30, 2023, and traced the beginning balance of IPO fund to the Progress Report as at June 30, 2023.

No exception was noted.

3. Compared the disbursements as indicated in the Progress Report as at September 30, 2023 to the detailed schedule of disbursements during the period.

No exception was noted.

4. Traced the disbursements for the quarter ended September 30, 2023, amounting to ₱413.4 million (see item 8 below), in the detailed schedule of disbursements to the supporting documents such as invoices, purchase orders, check vouchers, official receipts and bank statements, and agreed the amounts to the schedule.

We noted the following:

- a. Out of the ₱413.4 million total capital expenditures of Asia-Pacific Branded Food & Beverage (APAC BFB):

- ₱66.5 million pertains to capital expenditures of Monde M.Y. San Corporation (MMYSC) which were funded by MMYSC using its own cashflows.

On August 9, 2021, the Board of Directors (BOD) of the Company approved “the transfer from the IPO Proceeds (of MNC) to the operating cash of the Corporation (MNC), such amounts of capital expenditure paid by the significant subsidiaries of the Corporation (MNC) during the year using their respective cashflow”. As confirmed by the Company’s Corporate Secretary, this capital expenditure paid by MMYSC subsequent to 2021 are also covered by this BOD resolution.

Following the above board resolution, ₱66.5 million was transferred from the IPO funds to MNC’s operating funds during the quarter ended September 30, 2023. We traced the above amount to the related invoices and purchase orders when the funds were originally disbursed by MMYSC using its operating fund, except for the matter discussed in 4.b.ii below. We then traced the amount transferred from the IPO funds amounting to ₱66.5 million to MNC’s operating fund to the bank statements of MNC as approved in the above BOD resolution.

- The balance of ₱346.9 million pertains to capital expenditures of MNC and such amount has been released from the IPO fund to MNC’s operating fund. We traced the above amount to the related invoices and purchase orders when the funds were disbursed by MNC, except for the matter discussed in 4.b.i below.

- b. Out of the ₱413.4 million disbursement from the IPO proceeds as discussed in 4.a, we noted that a total of ₱113.8 million remain unpaid to suppliers as follows:
- i. ₱108.7 million were unpaid to MNC’s suppliers as of September 30, 2023; and
 - ii. ₱5.1 million were unpaid to MMYSC’s suppliers as of September 30, 2023.

Out of the unpaid capital expenditures, ₱13.3 million was subsequently paid as of October 14, 2023.

5. Obtained a complete list of bank accounts and other investment accounts where the IPO funds are maintained and traced interbank transfers to bank statements for the period. For bank transfers denominated in foreign currency, checked that the exchange rate used was based on published rates.

No exception was noted.

6. Traced the remaining balance of the IPO funds as at September 30, 2023 to the bank statements as of September 30, 2023.

A difference of ₱457.4 million between the balance per bank statement and balance per Progress Report of the IPO fund was noted as follows:

	Amount (in millions)
Bank balance of IPO proceeds	₱2,367.0
Balance of IPO proceeds (IPO fund)	1,909.6
Bank Over	₱457.4

Bank over noted pertains primarily to the net interest income, realized foreign exchange gain, mark-to-market gains, and other adjustments which were not considered as part of the proceeds from the Offering.

- Obtained the list of Board of Directors (BOD) minutes of meetings for the period and reviewed if there were reallocations or changes in the schedule of planned use of proceeds from the Offering.

No board resolution related to the reallocation or change in the schedule of planned use of proceeds from the offering was noted during the quarter ended September 30, 2023.

- Compared the Progress Report as at and for the quarter ended September 30, 2023, against the use of proceeds section of the Offering Circular.

Presented below is the summary of the breakdown and application of the Offering Proceeds as at and for the quarter ended September 30, 2023, based on the information obtained from the Company:
