Subject of the Disclosure

Change in Use of Proceeds from the Company's Initial Public Offering (IPO)

Background/Description of the Disclosure

The Company's Board of Directors, in their Meeting held on November 23, 2021, approved the change in use of IPO proceeds amounting to Php 7.105bn, previously earmarked for "capital expenditures to expand capacity of its meat alternative business", to "operating expenses (not in excess of Php 4.1bn) and/or capital expenditures to expand the capacity of its meat alternative business".

The Company's allocation for operating expenses in the meat alternative business will be used as additional investments for brand building, research and development, influencer partnerships, and new process capabilities, among others. This will allow the Company to capture the global growth opportunity and strengthen its position as a global leader in the meat alternative business.
